

2023 – Commercial Sealer Workshops

The Professional Fish Harvesters Certification Board (PFHCB) will be delivering Humane Harvesting and Quality/Handling/Health Workshops virtually/online beginning the week of March 13th.

Workshops will be delivered virtually/online using **Zoom**. This will be the only option for Humane Harvesting Workshop delivery this year. Sessions will be approximately 2 hours per Workshop (3-4 hours total).

An email address and photo ID, along with the \$50 registration fee, **MUST** be received with the completed pre-registration form. Registered participants will be sent an email confirming the date and time, and a Zoom link to join the online session.

To pre-register, contact the PFHCB at 709-722-8170 or pfh@pfhcb.com.
